

Congratulations!

You're an official Tree Hugger!

As a Tree Hugger, you promise to:

- Show other people how to identify a hemlock.
- Tell other people why you like hemlocks and why they're important.
- Tell other people about the bug that's threatening the hemlocks.
- Encourage other people to protect their own hemlocks.
- Plant more hemlocks wherever you can.

YOU make a difference, and the trees thank you!

Save Georgia's Hemlocks is a volunteer, 501(c)(3) nonprofit organization of concerned citizens dedicated to preserving, conserving, and restoring endangered hemlocks through education and charitable service.
