

# SPECIAL LECTURE

## ***Help the Hemlocks***

presented by

**Donna Shearer and Bob Pledger**

**Save Georgia's Hemlocks**

Georgia's hemlocks are in danger of extinction due to infestation by the hemlock woolly adelgid, an invasive insect from Asia.

Join us for an inspiring presentation from the leaders of Save Georgia's Hemlocks. Find out more about the threats facing this iconic native tree, why it matters and what you can do to ensure healthy populations of hemlocks for future generations.

*Presented in celebration of Earth Day.*

**Sunday, April 19 at 4pm**

**Fernbank Museum Auditorium**

Lecture is free. Reservations recommended  
at 404.929.6400.

Museum and/or IMAX® admission must be  
purchased separately.

***Make it a tree-filled day! Sign up for a guided tour of Fernbank Forest.***

Available at 1pm and 3pm on April 19.

Advanced purchase and reservations are required at 404.929.6400.
