SAVE GEORGIA'S HEMLOCKS GOALS

- **Educate** – Enhance public awareness of the hemlock woolly adelgid crisis, current practical solutions, and emerging control technologies
- **Enable** – Ensure easy access to information, advice regarding economical solutions, and direct assistance for property owners
- **Encourage** – Establish a clear understanding of the aesthetic, economic, and environmental reasons for property owners to take timely and effective action to save their hemlocks

OUR SERVICES

Some of the ways we achieve our goals are:

- Hemlock Help Clinics
- Hemlock Help LineSM
- Educational print materials
- Soil injectors to borrow
- Facilitator training workshops
- Neighborhood hemlock project planning
- Programs for community groups and schools
- Charitable assistance to individuals
- Volunteer assistance to public agencies

BECOME A VOLUNTEER

Be part of the solution by volunteering your service and skills. Please mark your areas of interest:

- Teaching or giving presentations
- Being a neighborhood volunteer
- Helping on service projects
- Planting or treating hemlock trees
- Leading a hike in the forest
- Working with kids
- Hosting a special event
- Marketing and communications
- Fund raising or grant writing
- Using the computer and Internet
- Research and citizen science
- Other _____
