We'll caravan from the Triple C #2 Market, 6110 U. S. Hwy 411 in Chatsworth (actually in Crandall) to the site on Mill Creek Rd (630): 30 minutes, 7.9 miles.

<https://goo.gl/maps/urdkeXQ8euG2>

1. Start at the Triple C Market #2 / Sunoco Station, 6110 US-411, Chatsworth, GA 30705.
2. Head north on US-411 N toward Hooker Rd. Go 0.4 mi.
3. Turn right onto Grassy St. Go 0.4 mi.
4. Turn right onto Crandall Ellijay Rd. Go 495 ft.
5. Turn left at the Lake Conasauga sign onto Mill Creek Rd. Go 7.0 mi. to the site. Here are the details of this leg of the trip:
 - a. The first part of Mill Creek Rd. is paved. Then it turns to dirt and gravel but is quite passable without 4-wheel drive.
 - b. Pass the Rocky Flats OHV Trail on your right.
 - c. At the point where the Hickey Gap Campground sign points to the right, bear left to stay on Mill Creek Rd.
 - d. At FS Rd. 603A, turn right and travel to the intersection of the road and Mill Creek itself. Park only on the right so there will be room for other traffic.

NOTE: The creek will likely be too deep and fast to cross in a vehicle, so it would be inadvisable to try to get to the site from the east end of 630 at W Cow Pen Rd.

The maps that follow show the path of Mill Creek Rd (630) to the site.
