Directions to  
 Murray County AG Center  
 103 Magnolia Drive  
 Chatsworth, GA 30705

\*\*GPS will not pick up the street address but you can use 1006 Green Road which is the Central Office for Murray County Schools. AG Center is at the back of this campus.

Traveling north or south on I-75 – Exit at #333 (Walnut Avenue Exit, Dalton, GA) – Turn East onto Walnut Ave. That is right if you are traveling north and left if you are traveling south on I-75. Continue approximately 12 miles – Walnut Ave becomes Highway 76/52 (G I Maddox Parkway) when you cross into Murray County. At the intersection of Duvall Road & Treadwell Road (landmark CVS on right) – continue through the light but then take an immediate right onto Green Road. The Murray County AG Center located on Murray County Schools Central Office campus (Rock Building) on right. At the red light turn right onto Old Dalton Ellijay Road in approximately 150 feet there is a wide opening on right that has multiple buildings and a lane to the AG Center. There is a sign (I hope). The drive is to the left of the brick building (Enrollment Center) and quickly there is a short access road to the left, very short, and turn back to the right. You will then see the Cannery (brick building), AG Center (green metal building), yellow block building, and behind is the barn.
