

Project Details for Hemlock Treatment Project Anna Ruby Falls Recreation Area HCA # 601

Date	SUNDAY, APRIL 10, 2022
Event	Service event in partnership with the U. S. Forest Service to treat or retreat the hemlocks at Anna Ruby Falls Recreation Area in White County near Helen
Notice	As SGH is committed to protecting the health and safety of our volunteers at all events, we will be following CDC guidelines regarding the <i>coronavirus</i> pandemic. If you have, or recently have had, a fever or any other symptoms of COVID-19, please do not sign-up and do seek appropriate medical help.
Where to Meet	We'll gather the in the southwest corner of the Anna Ruby Falls Visitors Center parking lot where parking is plentiful. See driving directions and map on next page. Signs will be posted along the way.
Schedule	<p>9:00 a.m. – All SGH volunteers report. Please be on time.</p> <p>9:15 a.m. – Volunteers will receive a briefing on the condition of the hemlocks, treatment process to be used, and safety reminders. You will be organized into small teams including at least one experienced SGH Facilitator per team, receive your equipment / supplies, be directed to your work site, and begin treating.</p> <p>We'll be applying Imidacloprid liquid by soil injection to retreat the pre-tagged hemlocks and give first-time treatment to any additional hemlocks that are still viable.</p> <p>12:00 p.m. – We will break for lunch and get directions for rest of the day.</p> <p>12:30 p.m. – Resume treatment.</p> <p>3:30 p.m. – After turning in treatment logs and cleaning the injectors, everyone will depart with our sincere thanks.</p>
Terrain	The terrain ranges from creek bottom near the picnic areas to steep in other areas. Undergrowth is moderate with many trees up slope from the bottomland. We'll make sure everyone is assigned to a work site or job assignment where they can be safe and comfortable.
What to Wear	Dress for the weather and the activity, including long pants and long sleeves, gloves and sturdy footgear, and rain gear in case of light rain. Nitrile gloves will be provided for those who will be handling chemicals. Hardhats will also be provided and required to wear for your safety.
What to Bring	Pack a sack lunch and bring it with you. Bring a personal water bottle and a camera if you like. A small day pack may come in handy. We'll provide some snacks and extra bottled water. If you have any serious allergies (like bee stings), bring whatever you need to manage the situation. The Visitors Center has bathrooms, snacks, and items to purchase.
Don't Bring	This is an environmentally friendly, pack-it-in pack-it-out event, so please don't bring any glass or styrofoam items. Also, as much as we love dogs, please don't bring them.
Registration	Participants must sign up in advance by Jon Jones at jdjones611@gmail.com or 910-987-0306. If you have questions, please call or email before project date.

Map & Driving Directions
